Dear Mike,

The Smith family wishes you the best as you retire. There will never be another as great as you. No one ever sought the truth no matter how painful to you as you have. You are truly a giant in your field. Our family remembers with great fondness being on 60 Minutes and how pleasant and comfortable you made us feel.

If ever we can be of assistance to you and Mary or members of your family, give us a call.

Best wishes,

Leon G. Smith, M.D., M.A.C.P.

You are a gentleman
